Encyclopedia of Modern China

David Pong
Danke K. Li, Fairfield University

Role
Editor: David Pong
Contributing author: Danke Li

Description/Summary
Danke Li is a contributing author, "Chinese Physical Education", pp. 127-129.

Book description: The encyclopedia showcases the work of an international body of prominent scholars, who offer accessible, original, and authoritative analysis of all aspects of the history and culture of China since 1800. Encyclopedia Of Modern China provides critical information on the most populous country and most dynamic trade market in the world: the people, politics, economics, religion, philosophy, traditions, art, and literature of this ancient and enduring civilization is explored from the beginning of the nineteenth century to the present day. Given China's increasing role in world affairs, its modern history and culture are of great interest to many, and this work is designed to bring reliable and accessible facts and analysis to students, professionals, and others who study and interact with China and her people. Commissioned contributors from colleges and universities in China and around the world provide authoritative content and fresh scholarly analysis.

Torrent Downloads » Ebooks » Encyclopedia of Modern China (4 vols) - D Pong (Gale, 2009) BBS pdf. Pong notes that China is now a factor to be reckoned with in practically every aspect of international life. He adds, It is our hope that these volumes will provide reliable and sophisticated renditions of the myriad facets of China. Both authoritative and highly accessible, this encyclopedia is strongly recommended for academic, public, and high-school libraries. Also highly recommended is the Berkshire Encyclopedia of China (2009), which is broader in scope but also very strong on the modern period. - Craig Bunch Product Details. About Modern China This period in Chinese history presented enormous challenges for Chinese medicine. The rapidly changing political environment, combined with much foreign influence, altered perceptions of medicine generally. These perceptions both hindered and
advanced the practice of Chinese medicine and led to the system that is current in China today, where Chinese and Western medicine are practiced side by side for the benefit of the patient. National Flag of Republic of China. The 1911 Revolution to Mao Zedong and Communism. The Qing Dynasty finally collapsed in 1911 as a result of the
